

# GUIDING THE FUTURE WITH FEEDBACK

## ((( VOICE OF THE SCOUT )))

**A few minutes** of your time, every six months, will give you the opportunity to give constructive feedback that will help improve your family's Scouting experience.

### HERE'S WHAT TO EXPECT:

An email survey sent twice each year to measure the value of Scouting for your family.

Survey recipients include Scouts (over 14 years old), parents, and volunteers. Scouts under 14 will have a chance to share their experience through their parent's participation. Chartered organization representatives are also included.

A unique opportunity to highlight issues you believe are important for improving your family's Scouting experience.

**SURVEYS BEGIN THIS MARCH!**
