TWILIGHT CAMP AT BAITING HOLLOW

Twilight camp will run every Thursday evening at Baiting Hollow from 4:30 pm (when day camp ends) until 9:00 pm. This is an additional program that has a fee of \$25.00. The boys will go fishing and earn the fishing belt loop. They will eat dinner around a campfire while the staff performs a campfire show. The evening will conclude with roasted marshmallows. We are offering this program in an effort to help parents with their busy schedule as well as to provide some different outdoor camping opportunities to our Cub Scouts.
