

You're Invited to a FREE Cub Fun Splash Day!

When: Saturday, August 26 from 2:00-4:00 PM

Where: Commack YJCC Fields – 74 Hauppauge Rd Commack

Cost: FREE! All Cub Scouts, families, leaders and guests are welcome!

What's going on:

Join us for a Cub Fun Splash Day on the fields at the Commack YJCC.

We'll have water balloons, games, Soda Bottle Rockets, and a Water Balloon Catapult Competition for all that are interested in participating.

Catapult Competition Rules:

Older Scouts Competition- to begin at 3:00 PM

The Catapult Competition will be a friendly competition for anyone that would like to bring a home-made catapult to the event. The winner will be the catapult that launches a small water balloon the farthest distance. Individual youth and their families, Dens, and or entire Packs are invited to participate.

1. The machine's throwing arm may be no longer than 4 feet and must use a vertical motion (ie: no sidearm hurls – this is a safety issue).
2. The machine must be somewhat portable as you will be required to move it from a staging area to the firing line in a limited amount of time.
3. The machine must be of your own creation and may not be built from a kit.
4. The machine must be able to be triggered or fired from the side and a minimum of 5 feet away.
5. The machine must be entirely human powered (but obviously leverage and stored energy provided by humans ARE allowed). Excluded energy sources include, but are not limited to: electrical, combustion, hydraulics, pneumatics, fuel-powered or chemical energy.

Younger Scouts – to begin directly following the Water Balloon Catapult Competition:

Additionally, we will have a MARSHMALLOW Catapult Competition for younger Scouts – Individual Scouts can prepare a small, table-top Marshmallow Catapult to be fired from a table-top. Each Marshmallow will be labeled with the initial of the Scout firing the shot, and the Scout with the marshmallow that shoots the farthest will win.
