December	\$2.75	\$1	\$3.75	\$2.25	\$6	\$1	\$7

Hi Matinecock!!

This is a basic overview for Re-chartering Day on December 6th at the South Huntington Public Library.

I'm going to keep it very simple.

Adults/Explorers- Pay \$45 per person for the year

Adults/Explorers DO NOT pay the Service Fee

^^**These numbers include the Insurance**^^

Youth- Pay \$72 per person for the year

\$84 for the year including Boy's Life Magazine

These numbers include the Service Fee and Insurance

Chartering Fee per Unit for the year

\$40.00

Adult Applications

Top major components missing from Applications

- You must have the signature of the Charter Organization Representative (COR) or Executive Officer (IH)
 - Background Authorization Form Signed and Dated
 - Updated Youth Protection Training (Keep Certificates for Proof)
 - All key information filled out correctly (SS#)
 - *Unit Number and Position Code (this gets missed often)
-

Youth Applications

Cub Masters signature on Youth Application

Online Registrations

You can re-charter online.

Go to www.sccbsa.org

Click on Volunteers Tab / Then click on Online Re-chartering

You can pay online

BUT

You can't pay the service fee online

You would have to send council a check for all the youth's service fee

Click the link below to find online Tutorial

<https://www.scouting.org/commissioners/internet-rechartering/>

My Recommendation

I think paying online and sending a separate check is going to be chaos.

I suggest selecting the option for Cash at the payment screen, then submitting one check to the council service center made payable to SCCBSA.

The check should cover everything such as:

Registration fees for Youth and Adult

Insurance

Service Fee (only youth) This is the only cost NOT calculated online.

Boy's Life Magazine (optional)

\$40 once a year Charter Fee

I want to make this process as simple as possible and I wanted to let you know what I think is the less stressful and efficient. I wanted to give some friendly advice to help my units out as best I can. You may do what you feel is best for your Unit. Please click on the Tutorial link if you need help and reach out to your Key 3 at any time. Thank you Matinecock!
