

BOY SCOUTS OF AMERICA®

COLLEGE OF COMMISSIONER SCIENCE

November 17, 2018 for ALL Commissioners & New Member Coordinators

The **2018 College of Commissioner Science** offers commissioners an opportunity to continue their training beyond the position specific training for commissioners. This training opportunity will benefit both new and experienced field and administrative commissioners.

We are also conducting a **New Member Coordinators Workshop** for all unit volunteers who are working to grow the Scouting program in their community; **Amy Hutcherson** from BSA will be presenting to the coordinators to make them an effective partner for unit growth.

KEYNOTE SPEAKER: **Kenneth King, Northeast Regional Commissioner** will speak about the Family Scouting Initiative and its impact on leader recruitment, program and Unit Service.

Choose one of five tracks – new CCS modules

BACHELORS OF COMMISSIONER SCIENCE New Unit Service for field commissioners	Including the new CCS modules developed in 2016.
MASTER OF COMMISSIONER SCIENCE New Unit Service for administrative commissioners	Will also qualify for BCS credits for first time ADC participants
MASTER OF COMMISSIONER SCIENCE Grow the Commissioner Service	Courses for current or future Assistant District Commissioners.
DOCTOR OF COMMISSIONER SCIENCE	Identify, develop and /or present a project or service concept to peers.
CONTINUING EDUCATION COURSES Pick a-la-carte from all tracks	NEW! Choose an all-day or a half-day course registration.
