Religious Emblems Coordinators and Scouting Counsellors

Welcome to another year of Ad Altare Dei and Pope Pius XII Religious Emblems. Let me start by thanking you for your commitment to providing our young men and women the opportunity to grow in their faith through Scouting.

As we say in Scouting, every Scout deserves a trained leader, or counselor in this case. To that end, we are offering 2 sessions this summer for new and renewing counsellors to get the training required to guide our Scouts through these challenging courses. Training is required every 2 years, so if its been a while...or its your first time...make plans to attend. Also, in order to do a good job, we are only allowing prospective counsellors to take one award per session. So if you are teaching both awards and need training, you will need to attend both sessions...one for each award training.

Please come with a copy of the counsellors guide. You can pick up AAD guides at the Scout shops, but PPXII guides are only available online since there was a change in 2017. Here is the link to order a PDF copy.
