www.sccbsa.org/cub-bhsc

We offer an exciting and fun packed program. Trained instructors safely teach the Scouts as they learn how to properly shoot archery and BB's. Waterfront activities will include swimming and boating. Campers will be evaluated and will be allowed to swim in the area that meets their ability. Scouts will get messy while doing fun science experiments. In arts and crafts, each Scout will complete a project unique to that week. Games will help Scouts learn about rules and teamwork. Lastly, see who can be the fastest to the top of our 32 foot climbing wall!

Science Camp
June 29 - July 3, 2020
August 10 - 14, 2020

Science Camp supplements and uses the STEM program. A local science related field trip is taken to see and practice Science, Technology, Engineering and Mathematics. Science with hands on activities like you have never experienced within the four walls of a typical classroom. The entire camp is an outdoor learning experience and the only thing missing is YOU!

Cub & Webelos Resident Camp
August 16 - 20, 2020
www.sccbsa.org/cub-resident-camp

This program is for Cub Scouts and Webelos. Resident camp is a great opportunity to sleep at camp without being far from home. Come to camp on the rolling hills of Eastern Long Island. Swim in the Long Island Sound. Row a boat around Lake Arrowhead. Practice sports and maybe even learn a new one. Climb the 32 foot climbing wall or simply enjoy a beautiful summer day. A great way to earn some Arrow of Light Elective Adventures.

Family Camp is an opportunity to bring the entire family out to camp for the weekend. Mom, Dad and all your siblings can come out and participate in all of the activities that the camp has to offer. Come camp with us just as you would normally camp with your family. This is the one time during the year when we can accommodate campers and trailers as well tents. Tent rental is available, should you need it. (Please note: There are no electrical, water or sanitary hook-ups at our camp.) You bring all the gear, supplies, food and equipment your family needs for the weekend and we supply the fun.

Boating, Climbing, Archery, BBs and Rifle are just some of the activities that await you. Join us for a Saturday evening campwide activity. Family members may participate in an optional craft session and join us for a Chicken BBQ dinner on the last night of our weekend. (Additional fees apply.)

To be eligible, participants must live in the same household and one member of the family must be registered with the BSA.
