***2020 Memorial Day ALTERNATE Respect for Heroes***

*Due to COVID19, our traditional Flag Placement Activities have been cancelled.  
Please respect our heroes who gave all by participating with RESPECT and HONOR.*

***Suggested methods to participate:***

- 1) Individuals may place a Flag(s) on your place of residence. This can be from a wall mount or a pole, a flag on a wooden stick may be placed in your lawn (as at National Cemetery) or in planters, along walkways, driveways etc. (Placement duration your choice.)***
- 2) Contact your local American Legion or VFW to participate with them at local cemeteries, respecting social distancing and utilizing personal protective equipment.***
- 3) As individual citizens, you may still place Flags at Calverton and Pinelawn National Cemeteries upon the graves of family and friends. You must supply your own flags.***

***Remember to exercise social distancing and PPE guidelines at all times.***

***Please note: Flags can never come in contact with the ground.***
