

Our ship, Alleluia, is a 28 foot Newport. She 'sails beautifully along the waters of Huntington Bay and The Long Island Sound. Her home port is in Northport at Britannia Yachting Center.

Fun on the Water

What makes Sea Scouts so unique is getting out on the water! In Ship 460, you will learn piloting and the rules of the road, navigation and how to read the weather. You'll be fascinated by maritime history and traditions, learn knots and fancy rope work, master boat maintenance, engine service, and marine electronics skills. You'll discover thrills that you just can't get anywhere else.

The Sea Promise

As a SEA SCOUT, I promise to do my best:

To guard against water accidents.

To know the location and proper use of the life saving devices on every boat I board.

To be prepared to render aid to those in need.

To let those less able to come first.

Who are the Sea Scouts?

Welcome to Sea Scouts, a youth program that combines fun with the adventure of boating and the intrigue of maritime tradition. Sea Scouts is a coed program offered by the Boy Scouts of America to young adults 14 years (or 13 years and completed the eighth grade) through age 21. Sea Scouts love boats and the water, learn sailor's skills, work together as a team, set and achieve personal goals and they have fun doing it. Whether you are looking to the sea for a career or a lifelong hobby, Sea Scouts is for you!

Advancement & Recognition

Sea Scouts are recognized and rewarded for the things they learn and do. You can earn valuable skills, boating safety, lifesaving, and CPR. As well, you can advance in rank from Apprentice to Quartermaster (the pinnacle of the advancement system). Each level of advancement marks your growth as a sailor and a leader!

WELCOME ABOARD!

Leadership & Experience

Sea Scouts is youth lead and adult mentored. You and your shipmates lead your Sea Scout program, elect youth leaders, plan and conduct the program, and adult leaders guide and support your efforts as you learn important leadership and life skills. As you gain experience you will have the opportunity to contribute as a leader in your Ship. The leadership (officers) of a Ship consists of a Boatswain (Bos'n) {president}, Bos'n Mate {vice president}, Yeoman {secretary}, Purser {treasurer}. In addition, there are Crew Leaders, Assistant Crew Leaders, Specialists and Store Keeper. All members, regardless of their title or position, form the Ship's crew.

Meetings are held via Zoom now on Tuesday evenings 8:00-9:30 because of the pandemic.

Seafaring has traditions that go back hundreds of years. Sea Scouting has adopted these traditions and in the process, has created a tradition of its own. Uniforms, ceremonies and titles of the officers in Sea Scouting are unique. As a Sea Scout, you become part of the tradition and you play your part in shaping that tradition for future scouts.

Fellowship

Sea Scouts provides opportunities to share experiences with other young people who share your interests. As your Ship participates in fun and exciting activities like sailing regattas and area events, you'll learn and grow with your shipmates. You'll even have the opportunity to meet Sea Scouts from other parts of your community, the nation and even the world!
